<p>think Personally, I think, that although panic makes some fair points - about attention span, for example, - it's too <u>exaggerated</u> out of ignorance and need to control the masses. Internet is a key to the future.</p> <p>However, I do understand why elderly people would be cautious about it. They grew up without the Internet and might find it confusing. They also tend to believe everything they see online because previous media was more censored and more truthful, and it's hard to switch.</p> <p>Still, I don't can't comprehend why millennials have such problems with electronic media. Perhaps it's because they are <u>too</u> influenced by their parents, who live mentioned in the previous paragraph. I believe they should put more effort in learning about it and educating themselves.</p> <p>Overall, the article makes good points about both pros and cons of electronic</p>	<p><i>Нет замечаний.</i></p>
