<p>The coronation ceremony of the British Monarch has its long history. From its very beginning it has become one of the symbols of the royal reign in England and Britain. Firstly held in 1066, it lasts for many centuries, featuring unique details in different times.</p> <p>In fact, the coronation used to be expensive as the new monarch took his place over the throne. Actually, it was common decision for the past times because the monarchy should have shown its power above the country through the way of featuring luxurious abilities. There were some exceptions when the coronation wasn't so expensive, but mostly it was rich and outstanding procedure.</p> <p>Throughout the centuries it have changed. In the 20th century with born of the mass media and change of the society, the coronation began to become a ceremony not for beloved ones, but for all. Where more, at the last coronation were people from non-christian confessions. It was a great step to change and "liberalise" the ceremony. However, some of people with conservative minds have criticised such way of modernizing the coronation.</p> <p>All in all, I think the royal family should combine basic traditions of the coronation with some modern features to make it more in-time like, but they shouldn't add too much inventions, because they it would ruin those ancient traditions, which are held for decades.</p>	Количество слов: <u>213</u>
