<p>The article "Lady Columbia, America's first national mascot" tells us about the image of Lady Columbia and its history. Columbia has been a valuable figure <del>of</del> American culture, but through the years her influence was faded. <del>for</del></p> <p>Once being the embodiment of <del>the</del> American independence <del>and</del> a part of unofficial hymn, Columbia was replaced. In my opinion, it was too harsh to give people the gruffy Uncle Sam instead of <del>the</del> victorious goddess. Of course, it's understandable - America needed to make <del>the</del> bigger influence on the nation during the war, and yet people did love that lady with Greco-Roman vibe.</p>	Количество слов:	214

<p>Besides, despite being the American collective symbol of democracy for two centuries, even this her appearance was changed since the Statue of Liberty has captured <del>the</del> attention of everyone. In the end, Columbia is now more associated with the logo <del>for</del> Columbia Pictures, and I think it's quite saddening. Her image was all about strength, independence, maternity, victory and justice, and I firmly believe that she is <del>more</del> representing <del>the</del> American nation <sup>more</sup> than the Statue of Liberty.</p> <p>So if they were to ask me, I'd say that American people should change their mascot to the First one. It's all about the very early history of the country, so the image of Columbia shouldn't be mostly associated with movies - it was about <del>about</del> portraying the colonial victory, not being just a picture or cartoon. Though it's good to know that her influence is alive despite everything. We certainly are grateful <del>for</del> saving her role as the inspiring goddess.</p>	нет баллов точек зрения (-2)
